## MECHANISM AND MECHANICAL TRANSMISSIONS.

### SYMPOSIUM (8; Timișoara; 2000)

The 8-th symposium on mechanisms and mechanical transmissions:  
19-22 October 2000, Timișoara - România: proceedings / ed. Dan Perju,  
Inocentiu Maniu. - Timișoara: Mirton, 2000

3 vol.: 21 cm.

ISBN 973-585-179-2

Vol. 1. - 348 p. - ISBN 973-585-180-6

I. Perju, Dan (ed.)

II. Maniu, Inocentiu (ed.)

62-23(063)

Tiparul executat la „Imprimeria MIRTON”

Timișoara, str. Samuil Micu nr. 7

## MEMENTO

The Symposium on MECHANISMS and MECHANICAL TRANSMISSIONS (MTM in Romanian) was initiated by the Mechanisms and Machines Design Department of the "Politehnica" University of Timișoara (thanks to Prof. F.W. Kovacs), in 1972 with a periodicity of 4 years (in the leap years).

It had happened one year after the third IFToMM Congress, being included in the Calendar's manifestations of this prestigious scientific organisation.

The MTM Symposium, together with the International Symposium "Theory and Practice of Mechanisms" – SYROM (initiated in 1973 by the Mechanisms Department of the "Politehnica" University of Bucharest – thanks to regretted Acad. Prof. N. I. Manolescu) and the National Symposium on Computer Aided Design – PRASIC (initiated in 1978 by the Machines Design and Mechanisms Department of the "Transylvania" University of Brașov), having the same periodicity, it provides scientific reunions in domain in each of the 3 years between the IFToMM Congresses.

The previous seven MTM's Symposia have took place as follows:

- I 1972 - College of Reșița  
(depending of "Politehnica" University of Timișoara)
- II 1976 - College of Reșița  
(depending of "Politehnica" University of Timișoara)
- III 1980 - "Politehnica" University of Timișoara
- IV 1984 - "Politehnica" University of Timișoara
- V 1988 - Technical University of Cluj-Napoca
- VI 1992 - "Politehnica" University of Timișoara
- VII 1996 - "Eftimie Murgu" University of Reșița

showing the itinerant character of the MTM Symposium.

Beginning to 1992 the MTM Symposium is one with international participation.

This the 8-th MTM Symposium coincides with the 80-th anniversary of the "Politehnica" University of Timișoara, and is dedicated to this important event.

We hope to have, for all the participants, an useful opportunity to change ideas in the fields of mechanisms, machines design, mechanical transmissions, precision mechanics and connected problems as well.

Prof. Dan PERJU, PhD, ME.  
President of the Organizing Committee

## HONORARY COMMITTEE

Asoc.Prof. Gheorghe CIUHANDU

Prof. Ioan CĂRȚIȘ

Prof. Nicolae NEGUȚ

Prof. Iosif TEMPEA

Prof. Karl-Heinz MODLER, Dr. Habil.

Prof. Nenad PAVLOVIĆ

Prof. Dan PERJU

Prof. Francisc KOVACS, Dr.H.c.

- Mayor of the City of Timișoara

- Rector of the

"Politehnica" University of Timișoara

- Dean of the

Mechanical Engineering Faculty

- President of the Romanian Association on  
TMM-ARoTMM

- Coordinator of the Tripartite Agreement

T.U.Dresden-P.U. Timișoara-U Niš;

T.U.Dresden-Germany

- University of Niš - Yugoslavia

- Mechanisms and Machines Design

Department of the

"Politehnica" University of Timișoara

- Initiator of the MTM Symposium

"Politehnica" University of Timișoara

## ORGANIZING COMMITTEE

Dan PERJU - President

Iosif CĂRĂBAȘ

Arjana DAVIDESCU

Octavian GLIGOR

Francisc IOANOVICI

Nelu IONESCU

Erwin-Christian LOVASZ

Inocențiu MANIU

Voicu MESAROȘ-ANGHEL

Marius MARINA

Lucian MĂDĂRAS

Corneliu RĂDULESCU

Carmen STICLARU

Eugenia MĂRGINEANU - Secretary

## SCIENTIFIC REVIEWER'S COMMITTEE

Prof. Marcu Balekics

Prof. Mihail Crudu

Prof. Valer Dolga

Prof. Octavian Gligor

Prof. Nelu Ionescu

Asoc.Prof. Francisc Ioanovici

Prof. Lucian Mădăras

Prof. Voicu Mesaroș-Anghele

Prof. Ioan Nicoară

Prof. Dan Perju

Prof. Alfred Pommersheim

Prof. Corneliu Rădulescu

Prof. George Gustav Savii
